

SWIMMING SKILLS STATEMENT
2018 - 2019

Because we are located on the Rappahannock River and have a swimming pool, we pay close attention to your child's safety around the water. We use the river for canoeing, sailing, crew, paddle boarding, kayaking, and swimming, and want to be assured that your child has the ability to swim.

Please attach a copy of your child's ability to swim (card) or check the appropriate box and sign the statement below.

My child, _____, can swim.
